**WIDOWED PERSONS SERVICE OF
TARRANT COUNTY**

Widowed Persons Services of Tarrant County (WPS) is a non-profit organization dedicated to helping newly widowed men and women through grief support groups and one-on-one outreach assistance throughout the year. Special events are offered to provide opportunities for the widowed to associate with other widowed people to re-establish him/her-self and adjust to the role of a single person in society.

We are tax exempt under 501(c)(3) and 509(a)(2) of the Federal Internal Revenue codes. We do not charge for our services and have no paid employees. We also do not discriminate based on age, sex, race, national origin, or financial status. However, we find that most of our members, are fifty-five and older, and many of our events are directed toward this age group.

Each year we publish a WPS Directory as a fundraiser that is available to members only. Members can have their contact information and other personal information entered into the directory for \$10 and they receive a complete copy of all information entered into the Directory which includes contact information for other WPS members, and a section devoted to ads from organizations that support us.

Commercial advertisement in the Directory is desired and encouraged. A business advertisement (half page 4"x5") is \$40.00, a double ad (full page 5"x8") is \$60.00.

Advertisers will receive a bound listing of all ads placed in the Directory.

For further information please call Ron Zembek, Ways and Means Committee Chairman at 817-905-4391 or email the WPS Office at wpstc@att.net.

Sincerely,

Ronald Zembek
